QUALITY POLICY

Consultoría ECOS, a leading provider of Occupational Health and Safety and Environmental services, is committed to promoting well-being through prevention.
To achieve this, we have implemented a Quality Management System and adopted the following commitments:

- Meet our clients' needs across all service areas efficiently, responsively, and reliably.
- Maintain a team committed to excellence and the continuous improvement of our processes and services.
- Comply with all requirements applicable to our organization, including contractual, legal, commercial, and internal policy requirements.

ENVIRONMENTAL POLICY

CONSULTORÍA ECOS PROVIDES CONSULTING, ADVISORY, TRAINING, AND MANAGEMENT SERVICES IN ENVIRONMENTAL MANAGEMENT, OCCUPATIONAL HEALTH AND SAFETY, AND SUSTAINABILITY. RECOGNIZING OUR RESPONSIBILITY FOR THE ENVIRONMENT AND THE IMPACT OUR ACTIVITIES MAY HAVE, WE ARE COMMITTED TO CONDUCTING OUR OPERATIONS IN ACCORDANCE WITH THE PRINCIPLES OF SUSTAINABILITY AND CONTINUOUS IMPROVEMENT.

To achieve this, the organization commits to:

- Protect the environment by preventing pollution, using natural resources efficiently, and responsibly managing waste generated by our activities.
- Comply with applicable environmental legislation and other requirements adopted by the organization relating to its environmental aspects.
- Identify, assess, and manage the environmental aspects and impacts associated with our services and operations, promoting the reduction of those that may result in significant impacts.
- Promote sustainable practices in our internal activities, Including contractual, legal, commercial, and internal policy requirements.
- Raise awareness and strengthen the environmental competencies of our employees, promoting an organizational culture focused on environmental protection and sustainable development.

This Environmental Policy provides the framework for the organization's environmental performance and will be communicated, implemented, maintained, and made available to all employees, clients, suppliers, and other relevant interested parties.
